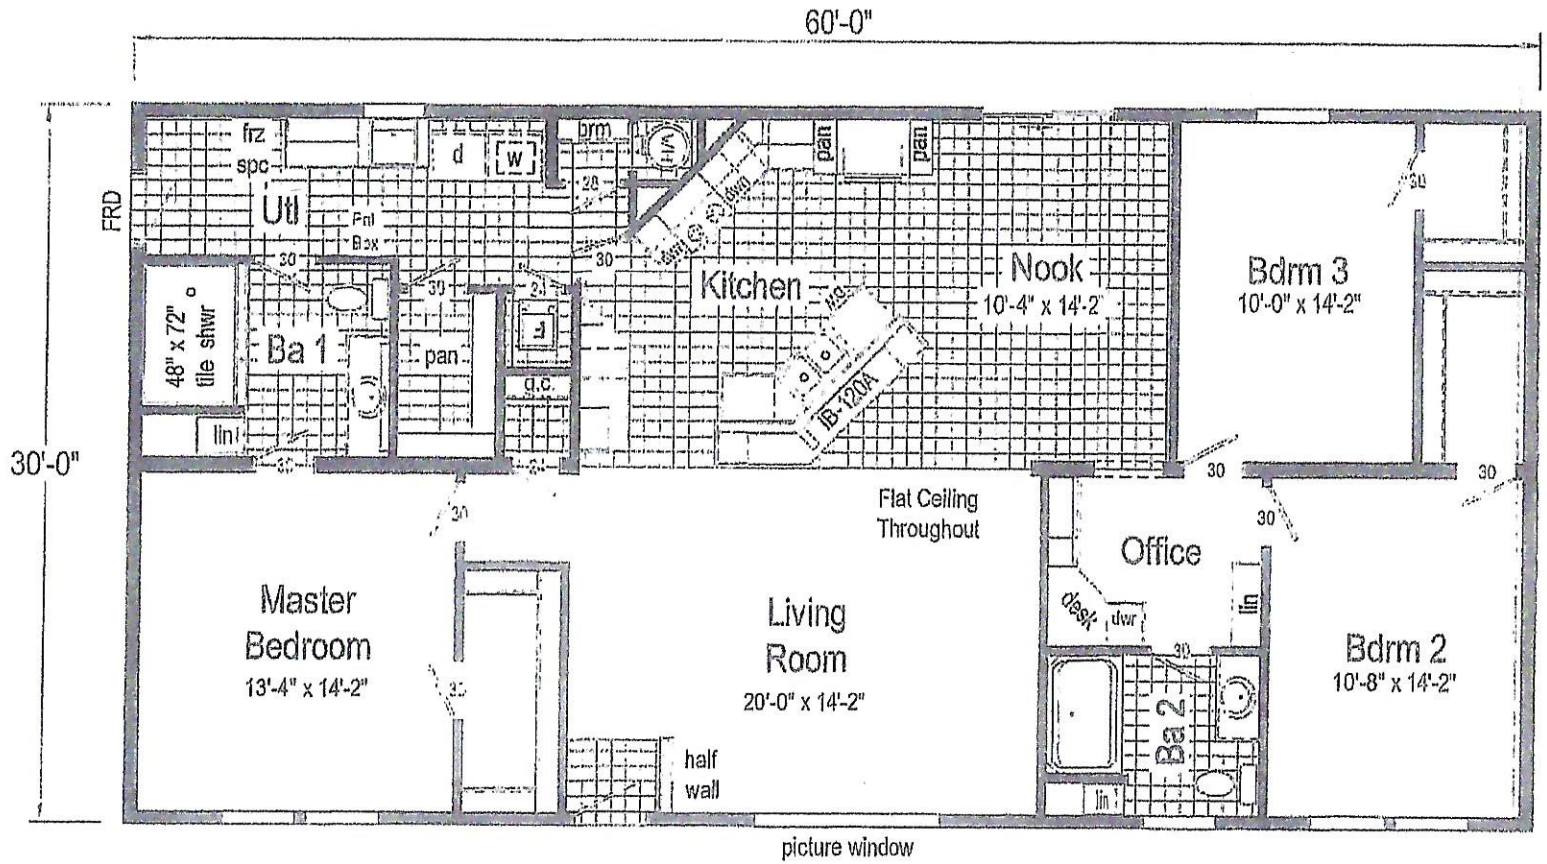
NOTE: This home may require wall bracing tie-downs depending on wind/seismic design. Please refer to the permit set for tie-down loads and locations if applicable. Some areas of the exterior wall sheathing may be shipped loose to allow access for tie-down installation. All tie-down designs are by others.

RX838-A0154



Note: Because of varying state requirements and optional equipment, some or all of the utility locations might change per floor plan (re: furnaces, w/h, stairwell). Consult your sales representative for exact specifications.
